For the last 19 years, AKJU Team America® has taken a team on a magical trip to historic locations throughout Europe. This year's itinerary is spectacular and includes an amazing visit to historic Warsaw Poland!

Warsaw is the sprawling capital of Poland. Its widely varied architecture reflects the city's long, turbulent history, from Gothic churches and neoclassical palaces to Soviet-era blocks and modern skyscrapers. As Poland's cultural hub, Warsaw has a thriving nightlife and music scene, both classical and underground. After near-total destruction in WWII, Warsaw's old town was faithfully restored to its pre-war appearance.

Then we are off to Dublin for the Irish Cup and additional beautiful sights, food and friendly people. This is a once in a lifetime trip!

The Irish Cup competition is open to all styles and has grown from less than one hundred competitors to over 400 each year. During the tournament, you have a chance to become an "All Irish Award"® winner, which is similar to the AKJU "All American Award"®.

**Your \$200 non-refundable deposit, applied towards trip, should be sent as soon as possible.**

**A \$300 non-refundable deposit, applied towards trip is required for single room requests**
