For the last 23 years, AKJU Team America® has taken a team on a magical trip to historic locations throughout Europe. This year's itinerary is spectacular and includes an amazing visit to historic London!

London, the capital of England and the United Kingdom, is a 21st-century city with history stretching back to Roman times. At its center stand the imposing Houses of Parliament, the iconic 'Big Ben' clock tower and Westminster Abbey, site of British monarch coronations. Across the Thames River, the London Eye observation wheel provides panoramic views of the South Bank cultural complex, and the entire city.

Then we are off to Dublin for the Irish Cup and additional beautiful sights, food and friendly people. This is a once in a lifetime trip!

The Irish Cup competition is open to all styles and has grown from less than one hundred competitors to over 500 each year. During the tournament, you have a chance to become an "All Irish Award"® winner, which is similar to the AKJU "All American Award"®.
